

Life's Wealth Quest

The Wrap-Up Challenge Workbook

"This is not the end — it's the beginning of your Life's Wealth Quest."

Wrap-Up Challenge: Defining Your New Wealth Identity

Congratulations! You've completed the 6-Day Wealth Journey. This final challenge is designed to help you reflect, consolidate your insights, and define your new relationship with wealth. It's not just about what you've learned — it's about who you are becoming.

Activity: Capture Your Transformation

Answer the following two questions, either by recording a 1-minute video or writing directly in this workbook:

1. What does wealth mean to me now?

2. What first step am I committed to taking toward my Wealth Vision?

Reflection Prompts

How has your definition of wealth changed since Day 1?

Which of the 3 pillars do you feel strongest in right now? Weakest?

What new clarity have you gained about your 'why'?

How does your guiding wealth goal feel now that you've completed the journey?

Bonus: Wealth Identity Statement

Write your personal Wealth Identity Statement below. Example: "I am wealthy because I have freedom of time, choice, and purpose. My first step toward my Wealth Vision is to [insert action]."
